

APPENDIX

The Ministry Requests access to specific information under the (CP) and (PIA) requirements with the requirement that such information is relevant, important and not already available through existing information, which are as per program:

- Explain disciplinary content under a variety of forms of communication including oral and written communication
- Document to authorities the details of the subject's proposed disciplinary action.
- Analyze the behavior patterns of students to provide the discipline or suspension, pending discipline's administrative actions to transfer responsibility.

It is noted that the above information is not to be used for any other purpose than that for which it was provided. The Ministry requests that the information be provided to the appropriate authorities in a timely manner to support every outcome, however, all the information must be provided to the appropriate authorities.

This will be reviewed and initially approved by the College's student body.

Requests for information, training or assistance are requested for the purpose of providing information to the appropriate authorities.

Information is requested for the purpose of providing information to the appropriate authorities.

Information is requested for the purpose of providing information to the appropriate authorities.

Information is requested for the purpose of providing information to the appropriate authorities.

Information is requested for the purpose of providing information to the appropriate authorities.

Information is requested for the purpose of providing information to the appropriate authorities.
