

GAAC 10/14/14

Attending: Mike Daku, Sean McGee, Donie Bret-Harte, Karen Jensen, Holly Sherouse, Laura Bender

I. GAAC welcomed Sean McGee to the committee.

II. There was insufficient attendance at this meeting for a quorum; minutes from the last meeting will have to pass by email.

III. GAAC Passed **26-GNC: New Course: [ANTH / LING F635 - Political Media and Discourses of the American Right](#)** (because Amy said it was OK by email, we have a quorum for this issue only)

III. We discussed some possibilities for additional members, including Kevin Sager and Jennifer Carroll. It was also suggested that we ask Julie Joly for a suggestion if John Yarie is not going to participate this year.

IV. We discussed some of the courses that are in the process of being reviewed. None were ready for passage.

V. We agreed to ask a representative of the Vet Med program to come and talk to us in two weeks

VI. New assignments were made (but not all courses were assigned, since we are still in the process of adding members)
